

TECHNICAL DATA

Machine Type

Plain & Anglehead Grinder

Manufacturer:	LANDIS
Model:	LVA
Type:	Monowheel grinding
Machine size:	750 mm / 1500 mm
Control system:	LANDIS System CNC Control

Technical Features

- CNC wheel dressing
- CNC grinding wheelfeed
- Hydrostatic wheel spindle
- Variable speed workdrive
- Constant grinding wheel surface speed
- Automatic in process sizing
- Automatic lateral location
- Automatic workrest

Finish Grinding Options

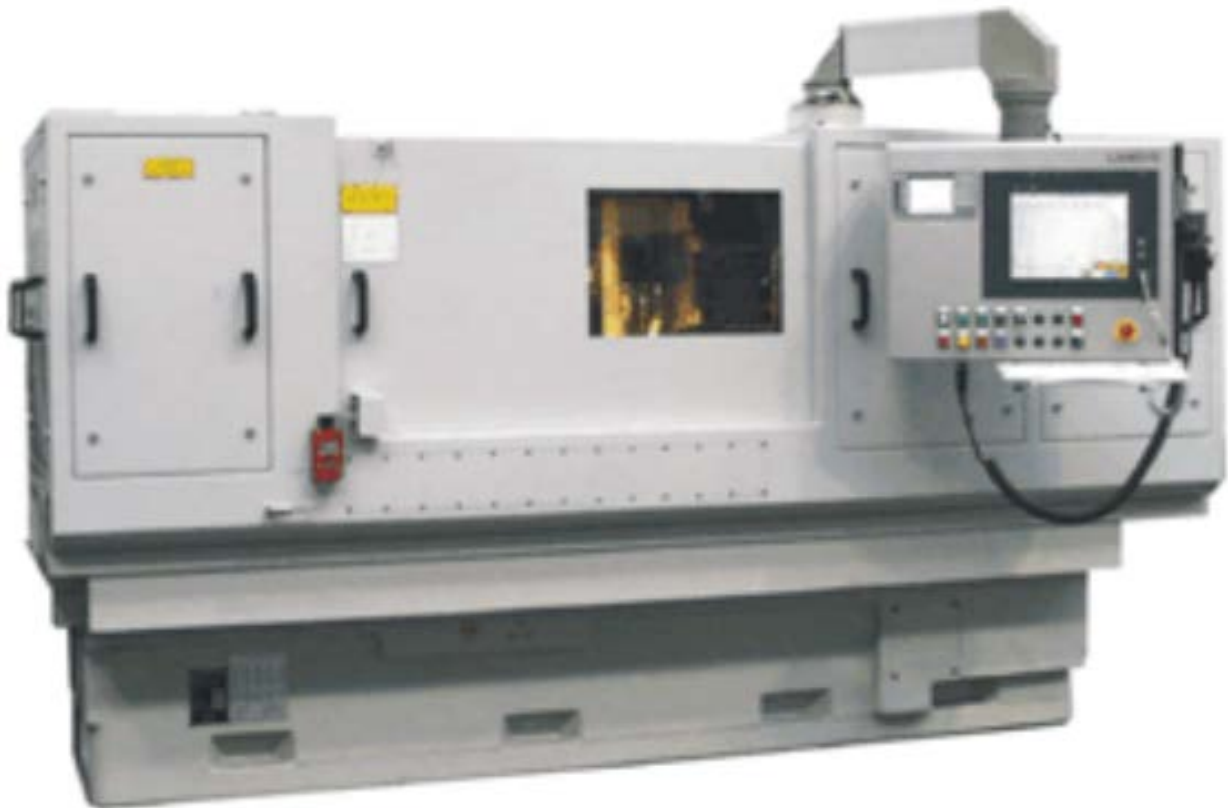

- Post & flange end diameters
- Post & flange end faces
- End chamfers, tapers, radii
- Thrust faces

Sale Conditions

Sale price (Ex Works):

On request
